Dear Borther,

Your Subscription of Chapter Golden Jubilee 137 is overdue for 2 years - last year's and this year's too. Perhaps in your busy work, life schedule you have not managed to find time to make this payment.

You may not be aware, that out of the 1250/- we collect, 750/- goes as fees to Grand Lodge and Regional Grand lodge and the balance 450/- is used for general expenses like rent, festive board, charity etc. Chapter Golden Jubilee is a small lodge, our financial planning is such that we do not factor any extra amounts to generate surplus. So, every year, if 2 or 3 members do not pay, lodge makes a cash loss which the Master and other seniors fill in.

It is with this reason, I write to inform you that having a non paying subscribing member on the rolls hurts the lodge financially and with deep pain I regret to inform you that the Lodge has decided to take your name off the rolls.

If however, you wish to continue your membership, request you to please remit Rs.2550/- ( 2018 - Rs.1250, 2019 - Rs.1300) by the end of this month.
