**Dear Bro Sridhar Rangarajan,**

The Millennium Lodge No 327's records show a total outstanding amount of Rs 6900/- (Rupees Six thousand Nine Hundred only) (Rs 2500 for 2015-16 and Rs.4400 for 2016-17) towards subscription due from you for the year 2015-16 and the current year 2016-17 (commenced on 31 October 2016).

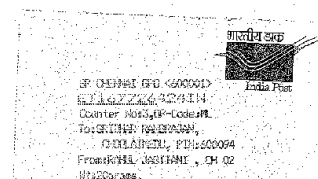

Your kind attention is invited to particularly **rule 124 of the book of constitutions**, which states that *"should the subscription of a member remain unpaid for one full year, at the expiration of the period he shall cease to be a member of the lodge"*. You will please observe that this stipulation has been completed in your case.

In view of the above the Standing Committee in its previous meeting , has directed that proceedings for cessation of your membership in the Lodge be initiated. You are requested to remit the above dues in full with in a period of 30 days of receipt of this notice, failing which you would be put on cessation and your membership of the Lodge would cease without further notice.

Cessation from one Lodge would mean automatic Cessation from other Lodges too. In case you are interested in continuing Masonic activities through other Lodges, you are advised to settle dues and submit resignation letter.

You are requested to forward your subscription dues to the Treasurer at the address mentioned above.

Yours Fraternally  
Bro Rahul Jagtiani
