Dear Bro.Rathish Babu,

My best wishes and fraternal greetings to you. I, Worshipful Master and Treasurer have made many failing attempts in contacting you with respect to payment of Annual subscription of our Lodge.

The last date of collecting the subscription is almost over. It is my duty to inform you that as per the Book of Constitution, you will be subject to undergo cessation which will forbid you from being a member of this fraternity.

So kindly avoid this unnecessary embracement and expediate actions by paying the subscription fees either by cheque in favor of "Lodge Engineers No.340" or by cash (please call me, i can send a person to collect it from you) at the earliest. Your due is Rs.2400/-.

Yours Faithfully & Fraternaly,

Bro. G. Ganesh
